Sisters Empowering Each Other: Investing in Safe Spaces & Collective Care

“When women sit together in a circle, something extraordinary happens”

POWER WITHIN: Timorese feminist leaders experience better well-being, including reduced burnout & fatigue

POWER WITH: Diverse Timorese feminist leaders have strong support networks & communities

POWER TO: Timorese activists apply transformational and intersectional feminist leadership principles & values in their work, activism & daily lives

ENABLING ENVIRONMENT: The broader ‘development sector’ & civil society environment in Timor-Leste becomes more supportive & enabling for feminist movements

Global South feminist movements are stronger & more sustainable & are better able to promote gender equality & reduced rates of VAWG
